Experience

IBM Designing with Emotional Intelligence | 2018

Took an IBM supported design thinking class at RISD. Learned to apply IBM research methods and make informed design decisions. Received feedback from IBM UX designers and worked with RISD Residence Life to implement changes on the housing portal.

MGAC | Graphic Design Intern | 2017

Worked closely with the Brand + Culture team at Mark G. Anderson Consultants. Worked with senior proposal development coordinators to conduct competitive analysis and redesigned the proposal guidelines documents.

City of Providence | Graphic Design Intern | 2017

Worked closely with the Department of Communications to design the Gun Report for 2017, Department of Innovation webpages, and Providence Festival brand book.

RISD | Picture Collection Assistant | 2016–2017

Worked as an assistant at the picture collection in the RISD library. Assisted patrons in finding images, and handling check-in and check-out procedures.

Honors & Activities

Women Refugee Care Volunteer | 2018

Hack @ Brown (Brown University) | 2018

YHACK (Yale University) | 2017

RISD Scholarship | 2014–18

RISD Honors Student | 2015–16
