

# Sort the Court Play Test

## General Questions

What was your first impression?

How did that impression change as you played?

Was there anything you found frustrating?

Did the game drag at any point?

Were there particular aspects that you found satisfying?

What was the most exciting moment in the game?

Did the game feel too long, too short, or just about right?

## Formal Questions

Was the objective clear at all times?

What types of choices did you make during the game?

What was the most important decision you made?

What was your strategy for winning?

Did you find any loopholes in the system?

How would you describe the conflict?

In what way did you interact with other players?

Do you prefer to play alone or with human opponents?

What elements do you think could be improved?
